

**CONFEDERACIÓN ESPAÑOLA  
DE CENTROS DE ENSEÑANZA**

The CECE (Confederación Española de Centros de Enseñanza - Spanish Confederation of Education and Training Centres) is a non-profit employers' organization founded in 1977 that represents an ample educational sector in Spain. It has branches all over the Autonomous Communities via federations and associations in numerous provinces of Spain. Each one of the federations represents educational centres within regulated and non-regulated sectors. The main functions of the CECE are:

- Coordination in the resolution of common problems
- Creating and maintaining services of common interest
- Supporting and promoting individual initiatives
- Organising and encouraging lifelong learning activities
- Promoting the implementation of ICTs and innovation in education
- Fostering the quality of the members concerning training and management activities
